FINANCIAL POLICY

Welcome and thank you for choosing Hometown Pediatrics for the medical needs of your child. We are dedicated to providing the best possible care for your child, and we want you to completely understand our financial policies. Our professional fees have been determined through careful consideration, in addition to being reasonable and customary within our geographical area. The following is a list of guidelines that are necessary in order to continue to provide high quality care and make your child's visit as pleasant as possible.

Co-payments, unmet portions of your deductible, coinsurance, and previous balances are due at time of service.

Appointments: Please inform our receptionist at the time of making your appointment of any demographic changes (e.g. address, telephone number, insurance, etc.). Failure to notify us immediately of changes in demographic information, financial status and/or insurance coverage may result in you being responsible for any service not covered by your insurance carrier.

Self-pay Accounts: Patients with no insurance will be expected to pay at the time of service.

Insurance: The patient is expected to present an insurance card at each visit. If we participate with your plan, we will directly bill your insurance. Keep in mind that your insurance policy is a contract between you and your insurance company. Not all insurance plans cover all services. In the event your insurance plan determines a service to be "not covered," you will be responsible for those charges. Any non-covered charges are due upon receipt of a statement from our office within 30 days.

Referrals: It is the responsibility of the patient to know their insurance plan's procedures for referrals. If your plan requires a referral, it will be necessary for you to inform us of that prior to you scheduling an appointment with a specialist. We kindly ask that you notify our office 5 (five) business days prior to non-urgent referral visits.

Late Arrival: As a courtesy, please arrive at least 5 minutes prior to your appointment. If you are **more than 20 minutes late**, it may be necessary to re-schedule your appointment to another day in order to prevent inconveniencing other patients.

No-Shows or Missed Appointments: When an appointment is scheduled with the doctor, time is specifically allocated for you. When an appointment is not canceled in advance and the patient "no shows", another patient that needed to be seen may have been unable to because the time slot was already taken. We understand there may be times when you are unable to keep an appointment, but we ask the courtesy of a phone call to cancel your appointment. We wish to advise you that all appointments will require a 24-hour notice of cancellation by you. ***If an appointment is missed without 24-hours prior notice, you will be charged a \$25.00 fee.*** This fee is not payable by your insurance company and will be your responsibility.

Child Custody/Divorce Cases: This office will not bill a divorced spouse for the patient's service. It will be the responsibility of the parent or guardian that brings the child in for all co-pays, deductibles, coinsurances, or balances. It is the parents' obligation to work out agreement themselves or through the court system.

Late Fee Charge: The office reserves the right to charge a 1.5% late fee on all unpaid balances that are 60+ days overdue. This will accumulate on balances only until paid in full.

Responsible Party: In order to be HIPPA compliant, we must have the responsible party sign this form. If the responsible party is anyone other than the Primary Insurance carrier, we must have the following:

Responsible Party's DOB: _____ **Responsible Party's SS#** _____

I have read, understand and agree to the above Hometown Pediatrics Financial Policy. I also understand and agree that such terms may be amended by the practice at any given time.
